# In Search of the “Lesser Evil”: The U.S. Presidential Election, 2024

**Anthony M. Joseph**

*Professor of History at The University  
of St. Thomas - Houston (Texas, U.S.)*

In a disturbingly polarized election year, many Americans are dissatisfied with the candidates offered by the two major political parties and feel they have no choice but to determine which candidate is the “lesser evil.”

*Conference in English, open to all*
